

YEAR 9 PROBLEM SOLVING SKILLS ASSESSMENT

Working Towards	Expected	Above Expected	Outstanding
You need additional support and guidance when doing the EXPECTED	<p>Can produce a detailed set of instructions</p> <p>Can convert instructions into a flowchart using correct notation.</p> <p>Can transfer flowchart onto Circuit Wizard using correct input and output decisions</p> <p>Can test the instructions for the circuit using the virtual testing function.</p>	Achieves ALL the EXPECTED criteria consistently and independently, and can use the prototype board to physically test flowchart instructions.	Independently develops methods, processes and techniques to enable themselves to reach a high standard accuracy.
